3.1 Zadatak 15. Anina obitelj

Read the text about Ana's family members. Names may be repeated so you can understand her family relations better.

Ana has a very big family. However, she is not very organized in presenting her family members. Help her organize all family members into one logical family tree.

Ovo je moja teta Ivana, moje sestrične, Josipa i Katarina i ja. Naša obitelj je velika. Moja mama se zove Tatjana, a moj tata se zove Teo. Moja mama ima stariju sestru Ivanu i stariju braću. Tatin mlađi brat se zove Joško. Mamina braća se zovu Ante i Zvonimir. Josipa je Antina kći, a Katarina je Joškova kći. Joškova žena se zove Zorana. Emanuelina i Antina djeca se zovu Josipa i Martin. Ivanin muž se zove Marko. Mamin brat Ante ima ženu Emanuelu. Teova i Joškova mama se zove Marina. Ivanin, Antin i Tatjanin brat se zove Zvonimir, a njegova žena se zove Vjekoslava. Marinin muž se zove Zlatko. Dalibor je Vjekoslav i Zvonimirov sin. Moja baka, mamina mama, zove se Zlatka. Tatina se sestra, moja teta, zove se Ema. Ona nema ni muža ni djecu. Zlatkin muž se zove Dušan. Ja također imam i brata, zove se Mario. Moja dobra, draga, pametna sestrična, Daliborova sestra, se zove Sandra. Ivanina i Markova djeca se zovu Marija i Darko. Oni su moji rođaci.

3.1 Zadatak 16. Moja fiktivna obitelj

Look at the following family tree. Imagine that this is your family. You are one of the children at the very bottom of the family tree.

Part 1

Complete the family tree below by associating an appropriate Croatian name to each person (including yourself). Include also a profession for each person where applicable and at least one personal trait for each person. You can also download a [fillable PDF](#).

Part 2

Rad u paru. Talk with one of your classmates and make a video recording (submit online). Write down what your classmate tells you as you will need to submit written work about what your classmate says.

Scenario:

You are meeting for the very first time. Introduce yourself and make a cohesive dialogue asking each other about family members. In order to discover the names of each family member, and to complete the family tree, you need to use personal names in their possessive form (i.e. what is the name of Ana's husband/sister/brother).

| Na primjer:

1. Ima li tvoj tata sestru?

2. Da, moj tata ima sestru. Zove se Ana.

1. Ima li ona muža?

2. Da, Ana ima muža.

1. A kako se zove Anin muž?

2. Anin muž se zove Dalibor.

Based on your findings, write a paragraph about your classmate's imaginary family.
