4.2 Zadatak 5. Tvoj prošli tjedan

Pair-work. Come up with at least 10 questions that you would like to ask your classmate about his/her last week. Talk with your classmate in order to collect answers. When you have all the answers, write a story about his/her last week.

Na primjer: Jesi li igrao/igrala košarku prošli tjedan?

Together with your writing, submit your recording with your classmate.
