3.1 Zadatak 8. Ivan i njegova obitelj

Part 1: Create a family tree.

 Listen to the story below. Make Ivan Jukić's family tree and indicate the name of each person and family relation from Ivan's perspective. All information needs to be in the Nominative (dictionary) form. Be careful, while you listen to the text, personal names may appear in the Accusative form. You will need to listen to the story a few times. You can create a family tree directly in this document or separately on a piece of paper. If you create a family tree on a piece of paper, upload the image below.
