

Amidst tight competition and rapid trends in the hotel and hospitality industry, you still have a chance of making a difference and standing out.

The strategy of Global Hotel Packaging, Publicity and Marketing that we are introducing to you has been tested in many hotels and has given fantastic results with proven track records.

Adopting only conventional advert and marketing media may not give you the global coverage and massive patronage you desire.

We are therefore introducing to you **PROVEN METHODS TO REACH OUT TO THE PEOPLE OF YOUR LOCALITY AND THE WORLD AT LARGE FROM THE COMFORT OF YOUR OFFICE.**

Our target is to ensure to that your hotel is well known and massively patronized by people from all part of the world.

#### **WHAT WE DO:**

1. Free BULK SMS Account for local publicity.

(We generate phone numbers of any locality of your choice.)

2. Software Development that enables you to manage the hotel database.
3. Professional Website design for internet transactions.

## HOW IT WILL BENEFIT YOU:

1. Your hotel would be highly regarded by tourist.
2. Your hotel and services would be found and accessed anywhere in the world.
3. People can book for your hotel rooms through the internet.
4. You will be able to manage your hotel (no matter how large) from your comfort with our hotel management software.
5. Your hotel's database will be professionally managed.
