

4. lekce - *Počasí a oblečení* / Unit 4 - Weather and Clothing

In this unit we will begin by talking about weather and how to describe the current weather. Additionally, we will learn how to describe activities during different types of weather as well as some of the effects that weather has on people.

We will then learn to talk about clothing, from describing what someone has on, talking about clothing wearing habits, and practice talking about buying clothes for yourself and others and our reactions to clothing that we see (like it, dislike it, etc.)

Communicative Goals	Grammar	Vocabulary
• talk about the weather • describe what a person is wearing • express clothing preferences (i.e. what you like, what you don't like, etc.) • learn about buying clothes and the preposition <i>pro</i> + ACC 'for'	• dative of nouns and pronouns • using the dative to express indirect object • using the dative to express age • weather adverbs and vocabulary • using the dative to express physical sensation (<i>je mi zima, je mi horko</i>) • <i>libit se</i>	Unit 4 - Vocabulary List • clothing • parts of the body • physical description • sickness and health • the verb <i>mocht</i> 'to be able'
