If we learn that relevant information has not been revealed, any offer of a place will be withdrawn, even if your child has already begun to attend St Christopher's

Parent's / Legal Guardian's Statement

If your child is offered a place, you will be required to sign a statement to show that you have read and accept the conditions laid down in this Application Form and also those described on the Acceptance Form. The following is an indication of the conditions; please note, however, that it is the wording on the Acceptance Form that determines the final conditions.

If we offer your child a place at the School and you wish to accept the offer, you will be asked to confirm that you understand and accept the following:

Registered Nationality

- Your child will be registered as a national of the country who issued the passport you initially submitted with their application. For dual national children, any subsequent request to change this passport, and therefore the child's registered nationality, will normally be refused. The only usual exception to this, is when a child is first granted Bahraini nationality **after** the date of initial application

Arabic for Native Speakers

- Your child will only be entitled for automatic inclusion into the Arabic for Native Speakers programme if your initial application is made with an Arab passport
- If you initially apply with a non-Arab passport and then, at a later date, request that your child be admitted to the Arabic for Native Speakers programme, this must first be considered by the relevant Head of School. If the Head of School approves the application, inclusion is then subject to the child passing the School's Arabic Entrance Tests and there being a vacancy in the appropriate Arabic class

General

- Your child will follow the full curriculum as directed by the School, including, but not limited to, regular PE lessons (including swimming), assemblies multi-faith religious education (except Muslims who study Islam only) and Arabic for Native Speakers for those registered as Arab nationals
- If your child's religion is stated as Muslim, then, under the Laws of Bahrain, your child must attend Islamic classes and not multi-faith religious education
- Your child will be required to follow the requirements of the School in all respects including uniform (including PE uniform), behaviour, deportment, attitude, academic progress and work-ethic
- At the sole discretion of the School, your child may be required to repeat a school year or to leave the School if we judge that he or she is not benefitting sufficiently from a St Christopher's education
- At the sole discretion of the School, your child's place, or children's places if more than one child is enrolled, may be withdrawn and he / she / they will be required to leave the School, should any of the conditions listed in, referred to or implied by this Parent's / Legal Guardian's Statement be broken by you or your child
- Your child will be expected to regularly attend school – regular attendance is essential to promote the education of all pupils, and extended absences will not only affect an individual child, it can also impact on the education of their peers. Taking family holidays during term time or finishing school in the week preceding the end of term is very strongly discouraged at St Christopher's School. (Such absences are noted on each child's end of year Academic Reports.)
- Your child has been vaccinated in accordance with the Ministry of Health of Bahrain Immunisation Schedule, and will continue to follow the schedule of vaccinations for the duration of their time at St Christopher's School. Click [<<here>>](#) to view our Vaccination Requirements.
- Entry into the School and continuance of studies at the School thereafter are at all times subject to the approval and discretion of the Board of Governors who delegate this authority to the Principal
- You have read and will abide by the regulations relating to payment of tuition and other fees and charges

You should NOT apply for a place if you are not prepared to accept conditions such as these.
