Date:

**Directions: circle the “odd man out.” Which one is not like the others?**

- |               |              |         |
|---------------|--------------|---------|
| 1. therefore  | although     | so      |
| 2. while      | because      | since   |
| 3. and yet    | nevertheless | so      |
| 4. and also   | while        | whereas |
| 5. however    | nevertheless | because |
| 6. but        | due to       | and     |
| 7. as well as | although     | and     |
| 8. however    | but          | so      |

NB: There may be more than one way to look at some of these. You may find two that are alike in meaning while another two may be alike grammatically.
