

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Directions: In a previous exercise, you chose imperative sentences from five medicine labels. Look back at those sentences. This time, change the imperative sentence into one that describes what someone does. Use the subject that is already on the line. The first one is done for you.

1. My friend *takes his medicine with food* .

2. My classmates \_\_\_\_\_

3. A careful person \_\_\_\_\_

4. The teacher \_\_\_\_\_

5. Most people \_\_\_\_\_

6. My aunt \_\_\_\_\_
