

Name: _____

Date: _____

Directions: A) Choose five imperative statements from the medicine labels and copy them into boxes 2 through 6 below. B) On the line under each box, change the imperative sentence to a more conversational one that uses a modal auxiliary verb of advisability. The first one has been done for you.

1) TAKE WITH FOOD.

You should take this medicine with food.

2)

3)

4)

5)

6)
