Instructions

Go to <https://www.iom.int/world-migration> and find your country on the map. Click on it and use the map's 2015 data to answer the following questions with your group.

1. Does your country have net immigration or emigration (do more people leave or enter)?
2. What countries do most migrants leaving your country (outbound) go to? Why do you think they go to these places? What factors might influence their decisions?
3. What countries do most migrants entering your country (inbound) come from? Why do you think they leave those places? What factors might influence their decisions?
