

MeasureBand Cookiewall

September 10th, 2022

**Today is gonna be the day that they're gonna
throw a fine at you**

**By now, you should've somehow realized
what you gotta do**

**You don't believe that anybody wants to give
consent to let you spy**

**Backbeat, the word is on the street that the
data you once had is out**

**I'm sure you've used it all before and you
found there many great insights**

**I don't believe that anybody feels the loss the
same now you may cry**

And all the scans you try to run are failing

And all banners you integrate keep breaking

There are many tricks that help to make the users buy, but you cannot try

Because maybe

There's gonna be a tool that saves thee

I dare you all

Don't use a cookiewall

**Today was gonna be the day, but they'll never
threw a fine at you**

**And by now, you should've somehow realized
what you're not to do**

**I don't believe that anybody likes Max
Schrems these days, little poor pal**

And all the scans you try to run are failing

And all banners you integrate keep breaking

There are many tricks that help to make the users buy, but you cannot try

I said maybe

There's gonna be a tool that saves thee

I dare you all

Don't use a cookiewall

x2

I said maybe (I said maybe)

**There's gonna be a tool that saves thee
(saves thee)**

**There's gonna be a tool that saves thee
(saves thee)**

**There's gonna be a tool that saves thee
(saves thee)**
