Today's verse is from: [Psalms 1:1-4, ESV](#)

1 Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; 2 but his delight is in the law of the Lord, and on his law he meditates day and night. 3 He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers. 4 The wicked are not so, but are like chaff that the wind drives away.

Blessed is the man, the woman, the boy, the girl, the person, that does not walk in the way of the ungodly but finds their delight in the word (in the scriptures). And they meditate upon (chew upon, memorize, commit to memory, learn by heart) the scriptures. That person shall be fruitful! These verses speak to the benefits and blessings of studying and memorizing scripture. Later in the book of Psalm, Psalm 119:11, the psalmist says, "Thy word have I hid in mine heart, that I might not sin against thee." Why is study of the scriptures and memorization of the scriptures so important? Well, it helps us when it comes to resisting temptation and misdeeds. It reminds us of God's love and presence with us. It promotes our happiness and directs us in the ways of God. It helps us to not conform to the ways of the world, and it allows us to be transformed as it renews our minds. It gives us the ability to lead and encourage others, and it makes us wise. Do not dare be deceived! The power of God's word in you is immeasurable and should never be taken lightly or for granted. Start today to commit to memorizing the scriptures. You will not live to regret your decision!

NEW YEAR. NEW SERIES. 2024

This year we look at how each of us are handcrafted, skillfully designed, and perfectly built by God our Creator. We are made to stand out and not to fit in. We are made on purpose with a purpose. We are full of awe and wonder, and we are a beauty to behold.

*Many of our youth, and even our adults, find it hard to understand this, and to even believe it. Our prayer this year, our desire for this year, God's desire for us this year, is that we would all come to know and believe that we are indeed, **FEARFULLY AND WONDERFULLY MADE!***

Join us daily as we explore this truth.

Be Advised! Please Memorize!!

CHRISTIANITY

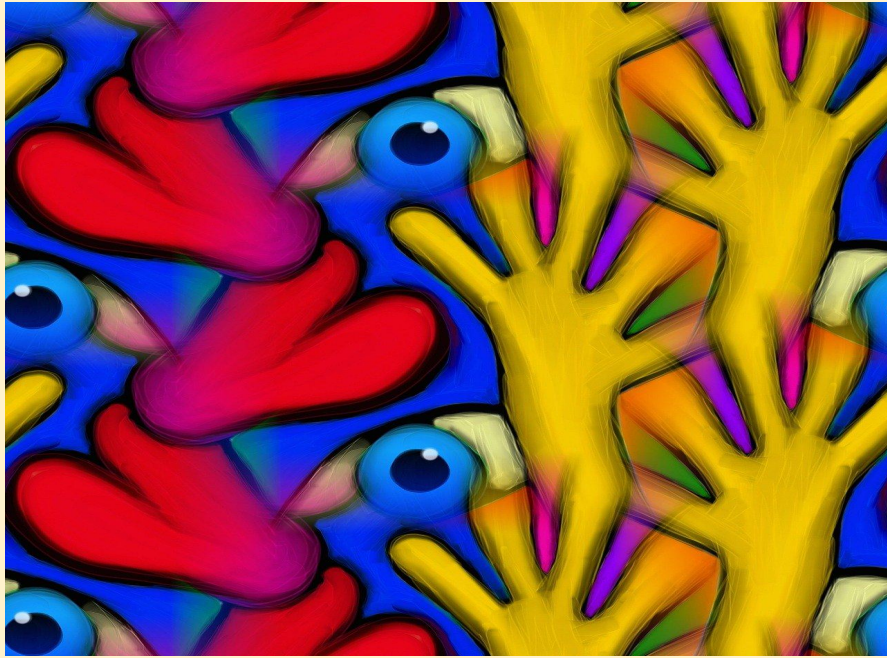

BEFORE CHRIST / 52

"Here's Some Black History For You!"

The documented history of Egypt dates back to the age of codification (about 3200 BC) and over more than 5300 years of its written history. Egypt has succeeded in injecting both Islam and Christianity with many of its ancient beliefs. In the end, the essence of the ancient Egyptian doctrine was centered on faith in the resurrection after death, reckoning, paradise and hell, all of which are essential components to all the Abrahamic religions. The Egyptian touches are very influential in the religion of Christianity that has spread worldwide. Christianity bears the authentic Egyptian features that the country's people have embraced since ancient times until it appeared it was Christian before the birth of Christ thousands of years ago.

Are You On The Remind App ?

Remind is a communication platform that allows our youth leaders to reach our students in real time with announcements, updates, scriptures, memes, reminders, and/or encouragement for the day. You may already be familiar with it as many schools are using the app to communicate with students and parents.
