## Community Service Reflection

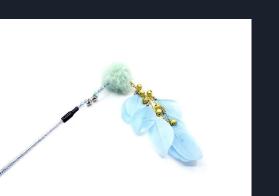

By: Jack Bible

In November we did Community Service for a couple Servicers. We made Cat toys for Chatham County, Union mission, and operation gratitude cards.

## Cat Wands for Chatham County

Our First Project was making cat wands for chatham county. A cat wand is a plastic wood wand with a string, a jingle, or feathers on the end.

## Operation Gratitude Cards

We made cards with encouraging messages for soldiers in the army. We made 5 cards with all different messages.
