

Innovative Learning Opportunities Pilot (ILOP) Informational Webinar

COLORADO
Department of Education

Objectives

1. Build deeper understanding of the ILOP opportunity
2. Hear from the field about their work in ILOP
3. Answer outstanding questions from the field.

Agenda

1. Welcome and Framing
2. Panel of ILOP participants
3. Questions

In the chat, please list any innovative learning opportunities that your school/district already provides to students.

What is ILOP?

This program enables participating Local Education Providers (LEPs) to offer their 9th through 12th grade high school students a variety of learning experiences that usually occur outside of the classroom. These learning experiences should be designed to enrich students' education and support them in successfully transitioning from high school to postsecondary education and/or the workforce.

Benefits of the Program

- Seat time flexibility for students engaged in innovative learning opportunities.
- Technical assistance for schools and small rural districts that apply.
- Selected LEPs will be allowed to count their part-time high school students, that participate in the LEP's Innovative Learning Plan, as full-time students regardless of the actual number of teacher-pupil instruction hours and teacher-pupil contact hours for each student.

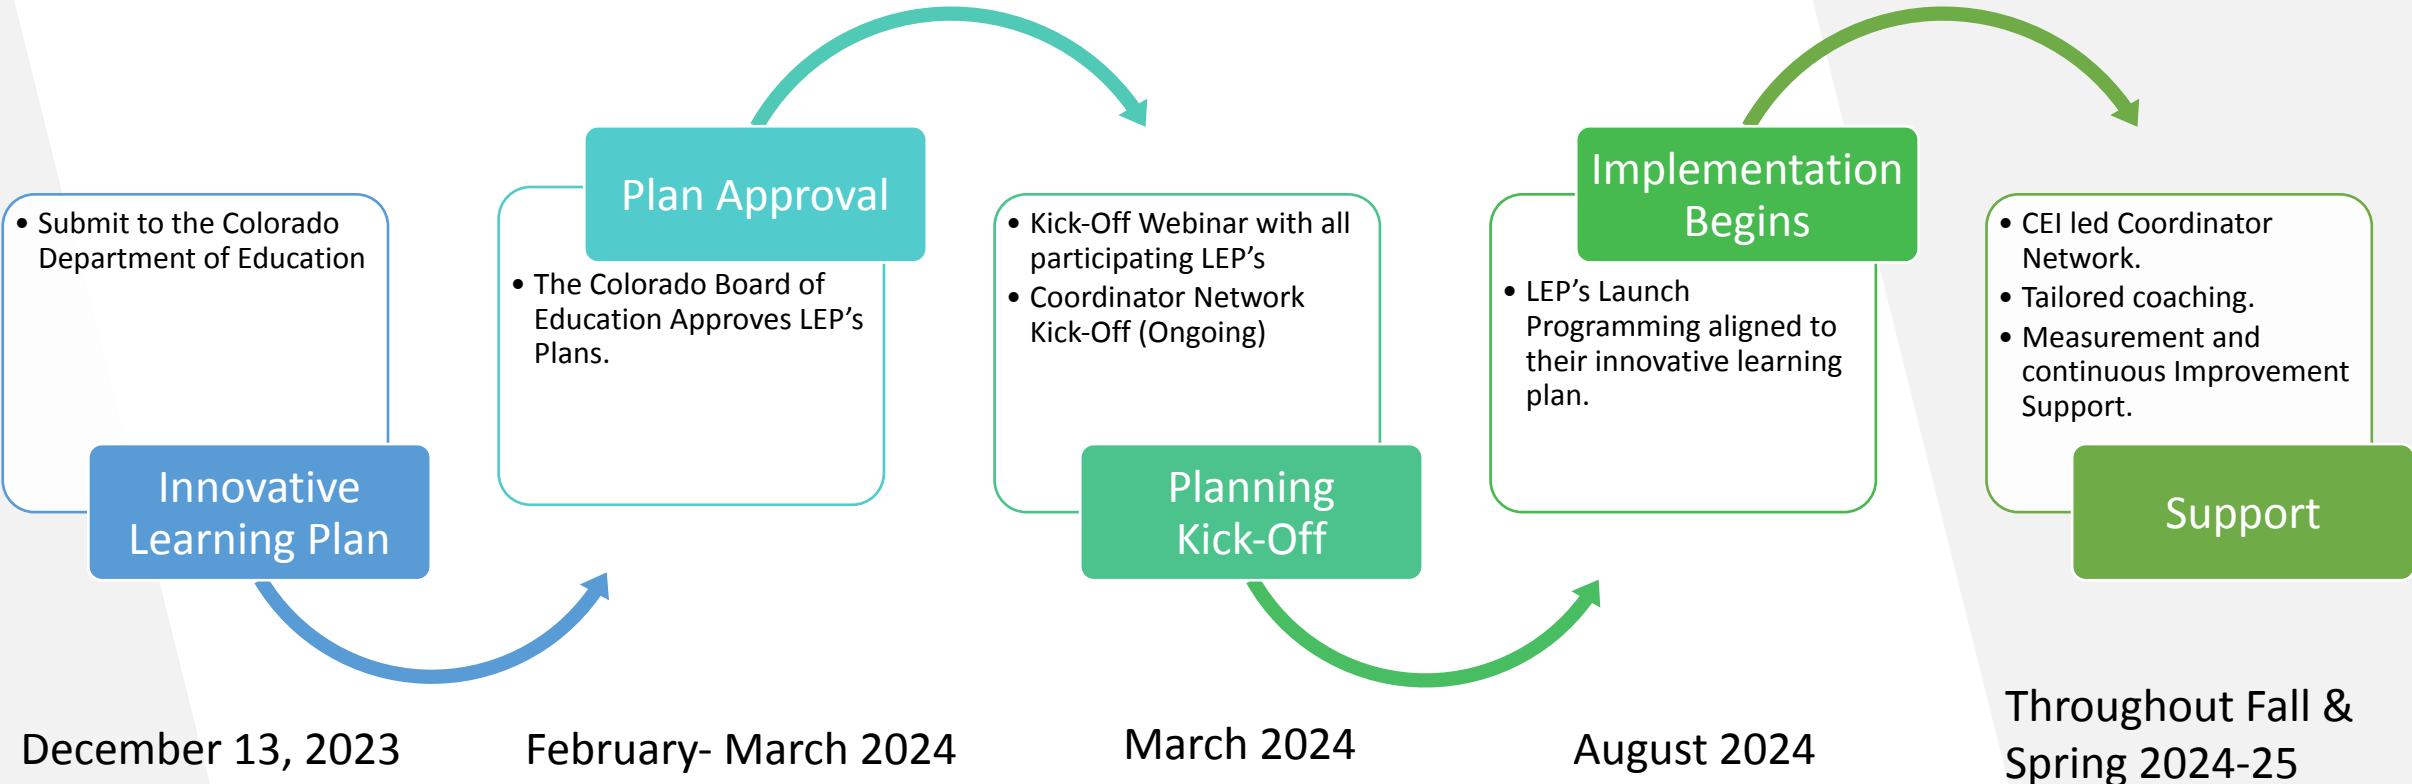

What are innovative learning opportunities?

- Registered or unregistered apprenticeships
- Internships
- Technical training or skills programs through an industry provider
- Teacher training opportunities
- Programs leading to industry-recognized certificates
- Competency-based learning projects
- Capstone projects
- Other learning experiences designed to support students with developing and demonstrating essential skills for transitioning from high school to postsecondary education or the workforce

Colorado Education Initiative

Activities & Timeline

Panel Discussion

- Timothy Fifer, The Academy
- Alan Nall, Northeast BOCES
- Dacia Kelly, Clear Creek School District RE-1
- Kristi Lewis, Durango School District 9-R
