

Georgia's Mountain Treasures--
The Unprotected Wildlands of the Chattahoochee Oconee
National Forest

This full-color publication provides descriptions, directions, and maps for 40 unprotected wildlands in the Chattahoochee-Oconee National Forests. Our goal with this project is to provide the public with a tool they can use to speak for greater protection of these special places.

Members receive a complimentary copy!

Free Event! Free Food! Free Drink!

Jess Riddle, Executive Director of **Georgia ForestWatch**, will present a slide show highlighting some of these special places.

Sunday, June 2 Georgia Mountain Treasures 2 to 4 pm
