You Must Contact Any Other Utilities Directly

Ticket 223253283 has been completed.

Please check your email to see a copy of your ticket including the list of utilities notified.

Make sure all utilities have responded before beginning excavation.

The [TicketLINK](#) may also be used to view utility status

mo@occinc.com

Do NOT reply to this email.

The link below will advance you to the locate request form. All information submitted on the locate request form will be forwarded to the affected member utilities in order for them to respond accordingly.

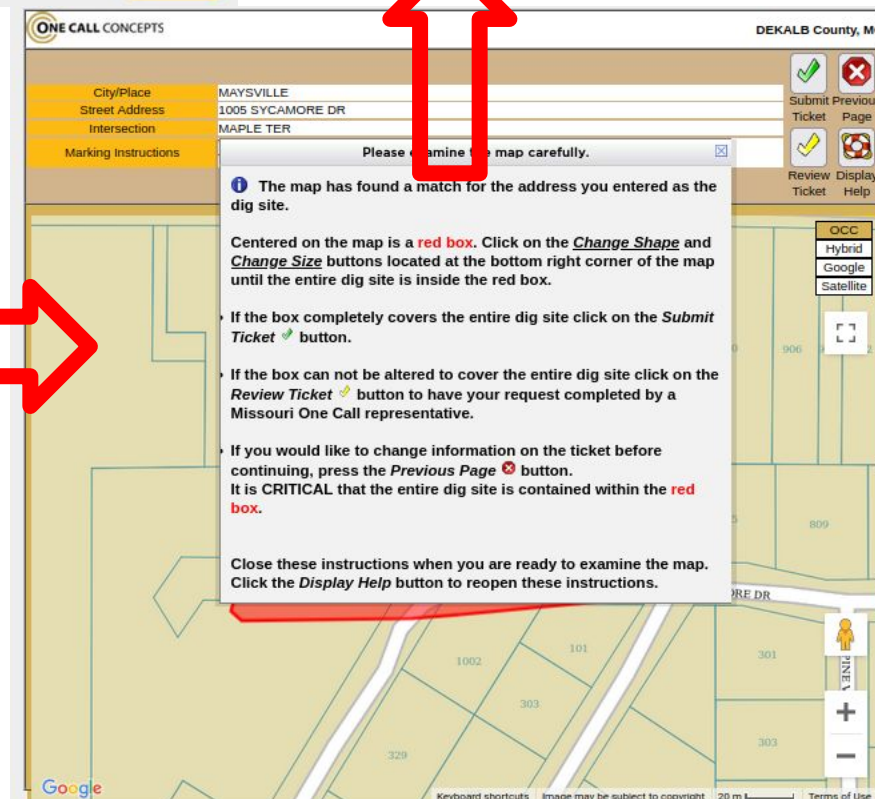

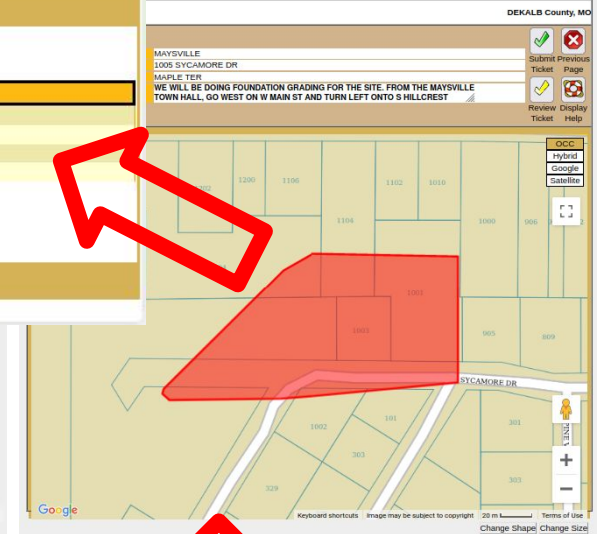

Once your locate request has been completed and forwarded to the member utilities you will receive an email confirmation of your request including the list of utilities notified, a ticket number and a link to the excavation map.

It is your responsibility to:

- Mark the proposed area of excavation with white paint or flags.
- Verify all information on your request is accurate.
- Verify your entire excavation area is covered on the map by clicking the link.

If you need to make changes to the ticket or report a utility that has not responded call 811 or 800-344-7483.

[CLICK HERE](#) to file a request.

# Notes

For the Savannah lot, it took it to review as opposed to giving me a map to work with.

## Do NOT hit the "Back" button!

Your ticket has been sent to the call center for review.

You will receive a copy of your completed ticket or an email asking you to provide additional information within 2 hours (M-F 8am-10pm). Please verify all information on the completed ticket is accurate including the map link to ensure your entire area of excavation has been covered. If you find a mistake please use Update Ticket to make corrections.

Make sure all utilities have responded before beginning excavation.
