Getting the Observer Code

Paso 1:

The screenshot shows the 'z's settings' page in Canvas LMS. The left sidebar contains navigation icons for Account, Dashboard, Courses, Groups, Calendar, Inbox, History, and Help. The main content area is divided into several sections: 'Notifications', 'Profile', 'Settings', 'QR for Mobile Login', 'Global Announcements', 'Web Services', 'Registered Services', and 'Other Services'. In the 'Settings' section, under 'Ways to Contact', the 'Pair with Observer' button is circled in red. Below it are buttons for 'Edit Settings' and 'Download Submissions'.

The screenshot shows a dialog box titled 'Pair with Observer'. It contains the text: 'Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use.' Below the text is a text input field containing the code 'xTtJQo', which is circled in red. There is a close button (X) in the top right corner and an 'OK' button in the bottom right corner.

4. Write this code down!

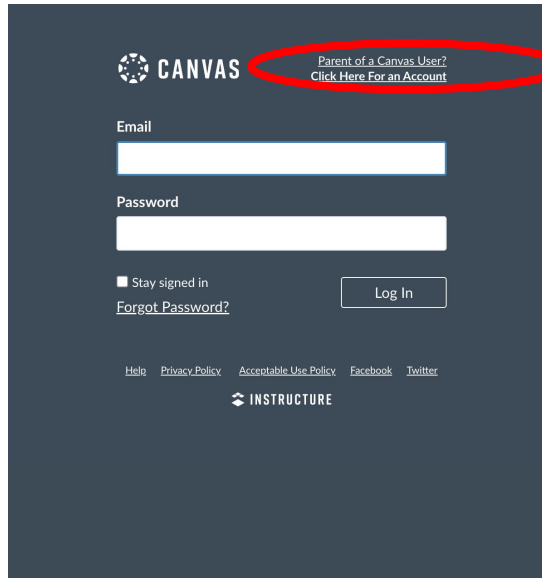

4. Escriba este código!

3. Find the **Pair with Observer** on the right side

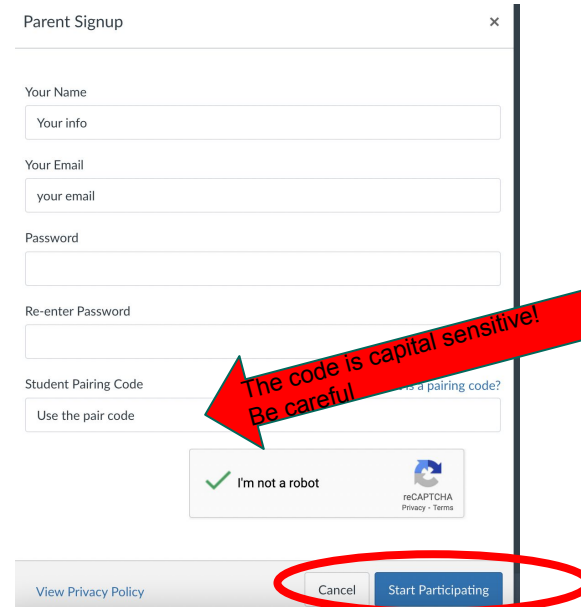

3. Encontrar el **Pair with Observer** a la derecha
