

MICDS JK-12 Clash of Classes Trivia Contest

April 2022

The theme of the trivia contest is children's television program characters, past and present.

Contest rules:

1. Teachers (Lower School) and advisors (Middle and Upper Schools) will record and submit answers on behalf of students. Faculty members have received a link to an online answer form. For each question, the teacher or advisor will record how many students select each of the answer choices.
2. Students may answer the trivia questions only from memory. Use of phones, computers, and other information resources is prohibited during the trivia contest.
3. Students in the same classroom may confer with one another in deciding how to answer. This is a competition between classes, not between students. Collaboration among classmates or within advisories is permitted.

Ready?

Teachers, please open the [online response form](#), answer the preliminary questions, and advance to the next slide.
