

Frank Church High School

Fall Reopening Pandemic Operation Plan

July 16, 2020

Revised September 15, 2020

Mission: We promote resilience and perseverance. **Vision:** We prepare our students for college, career, and citizenship

Frank Church High School

We are happy to share we are planning for
in person hybrid school to resume on
October 19th, 2020.

We are excited to see you!

Mission: We promote resilience and perseverance. **Vision:** We prepare our students for college, career, and citizenship

Frank Church High School

The Boise School District has the following strategies that are and will be implemented:

- Face Coverings - Face coverings that completely cover the person's nose and mouth are required for all students, staff, and visitors while inside all District schools/facilities, including school buses. Face masks are preferred to a face shield. [Face Covering Policy](#)
- Sneeze guards -- We have a few throughout the building: main office, student services, registrar's office, and attendance office.
- We have large hallway mobile hand sanitizer stations in each hallway.
- Hand washing stations/sanitizing/disinfectant in each classroom.
- Intentional physical distancing measures.
- We have taken measures to reduce class size and maximize space -- remove furniture, master schedule changes
- Digital thermometers in each school.
- Disinfectant spray bottle in every classroom. Staff will be disinfecting at the end of each class.

Mission: We promote resilience and perseverance. **Vision:** We prepare our students for college, career, and citizenship

Frank Church High School

Here are more specific strategies we will be implementing at Frank Church.

Entering the Building

- As students enter the building, they will use the hand sanitizer at the front doors.
 - There will be hand sanitizer dispensers throughout the building, in each hallway, for students and staff to use during the day.
- Parents/Guardians must have an appointment to enter the building. Please call the front office if you have any questions or need to make an appointment. (208) 854-5650
- Face coverings are required for all students, staff, and visitors while inside all District facilities.

Transition Times

- Students will stay on the right side of the hallway during transitions and maintain appropriate social distancing.
- During Break/Lunch the cafeteria has reduced seating to aid with the social distancing. Students will have the option to eat outside during break and lunch.

Mission: We promote resilience and perseverance. **Vision:** We prepare our students for college, career, and citizenship

Frank Church High School

Classroom

- Classrooms have had a reduction of seating options to help aid with social distancing.
- Every classroom will be sanitized between each block/class period.
- If a student leaves a classroom and returns during class, they will need to wash their hands or use hand sanitizer upon re-entry.
- Students may only leave the classroom one at a time and use a disposable pass.

Any student with a fever or not feeling well should stay home and continue to work with their teachers through Google Classroom. If a student has a fever or symptoms at school, they will be evaluated by the nurse and sent home if needed.

Mission: We promote resilience and perseverance. **Vision:** We prepare our students for college, career, and citizenship

Frank Church High School

**We can't wait to see you all!
Stay safe and healthy!**
