# Paper Exit Ticket

**Activity for All Grade Levels**

# PAPER

Welcome Teachers,

In this slide deck, you will find slides and templates for using Paper as part of your Exit Ticket.

We've customized the instructions on each slide depending on how students log onto Paper; Clever, Classlink, and the Paper website. Find the slide that works best for your students and try it out today.

Check the speaker notes for worksheet links.

## How to Customize

- Go to File and Click “Make a Copy”
- Make a copy of the Entire Presentation
- Now you have your own version to you can edit as needed.
- Share your ideas with on social using the hashtag #HowWePaper

# PAPER

## Exit Ticket: Explain a takeaway with a Paper Tutor

Step 1: Go to [app.paper.co](https://app.paper.co)

Step 2: Click the subject tile and “Chat with a tutor”

Step 3: Type to the tutor “Hi, I need to explain what I learned today.”

Step 4: Explain in your own words one thing you learned in class today.

A screenshot of the PAPER app's main interface. At the top, there's a dark blue header with the 'PAPER' logo on the left, a language selector set to 'English', and a user profile icon. Below the header is a light purple section titled 'How can we help you today?' with a search bar. The main content area is divided into two sections: 'Get help from a tutor' and 'Practice and learn with Paper'. The 'Get help from a tutor' section features three subject tiles: 'Biology' by Zack Krukowski (purple), 'English Literature' by Zack Krukowski (teal), and 'Math I' by Zack Krukowski (light green). Below these is a 'U.S. History' tile by Zack Krukowski (grey). The 'Practice and learn with Paper' section has three tiles: 'Practice math games with Paper Missions' (green), 'Get work reviewed with Review Center' (blue), and 'Stream live shows with PaperLive' (red). On the left side, there's a sidebar with a 'Complete the Circle' progress indicator and a list of navigation options: Home, View chat history, Get work reviewed, Watch streaming shows, Play math games, and Refer a friend. At the bottom of the sidebar, there are radio buttons for 'elementary', 'middle-school', and 'high-school'.

## Exit Ticket: Explain a takeaway with a Paper Tutor

Step 1: Log in using Clever.

Step 2: Click the subject tile and “Chat with a tutor”

Step 3: Type to the tutor “Hi, I need to explain what I learned today.”

Step 4: Explain in your own words one thing you learned in class today.

A screenshot of the PAPER student interface. The top navigation bar is dark blue with the PAPER logo and a language dropdown set to 'English'. Below the navigation bar is a sidebar with a 'Complete the Circle' progress indicator and a list of navigation options: Home, View chat history, Get work reviewed, Watch streaming shows, Play math games, and Refer a friend. The main content area is titled 'How can we help you today?' and features a search bar. Below the search bar are three subject tiles: Biology (Zack Krukowski), English Literature (Zack Krukowski), and Math I (Zack Krukowski). A fourth tile for U.S. History (Zack Krukowski) is partially visible. Below these tiles is a section titled 'Practice and learn with Paper' with three options: Practice math games with Paper Missions, Get work reviewed with Review Center, and Stream live shows with PaperLive. A large blue square with a white letter 'C' is overlaid on the bottom right corner of the screenshot.
