- 
- 
- Do you support fees for sports, field trips, and other extracurricular activities based on a cost-recovery basis?
 - Do you support an increase to field trip or in-school-experience fees, if it is a good opportunity to enhance student learning?
 - Do you support higher-cost field trip fees such as swimming lessons and the ski trip?
 - Would you prefer more/less tournaments for sports teams?

Your input regarding the above questions can be sent to Jennifer.Vos@eips.ca.

- 
- We appreciate your feedback as we strive to have reasonable school fees and provide meaningful opportunities for our students to learn and grow!
 - If you have questions, comments or feedback regarding school fees or field trips, please contact our school office at: Jennifer.Vos@eips.ca.
