Question #1	Type your answer here.
Question #2	
Question #3	

Hints:
➔ Questions beginning with *how* and *why* ask for analysis and opinion.
➔ Verbs such as *might, should, would, could,* and *will* often create deeper thinking questions.

Examples:
➔ *What* is global warming?
➔ *Why* is global warming a serious problem?
➔ *How could* you reduce global warming?
