# Good friends are dependable.

There is **nothing**  
like a really loyal  
**dependable,**  
good friend. Nothing.

— *JENNIFER ANISTON*

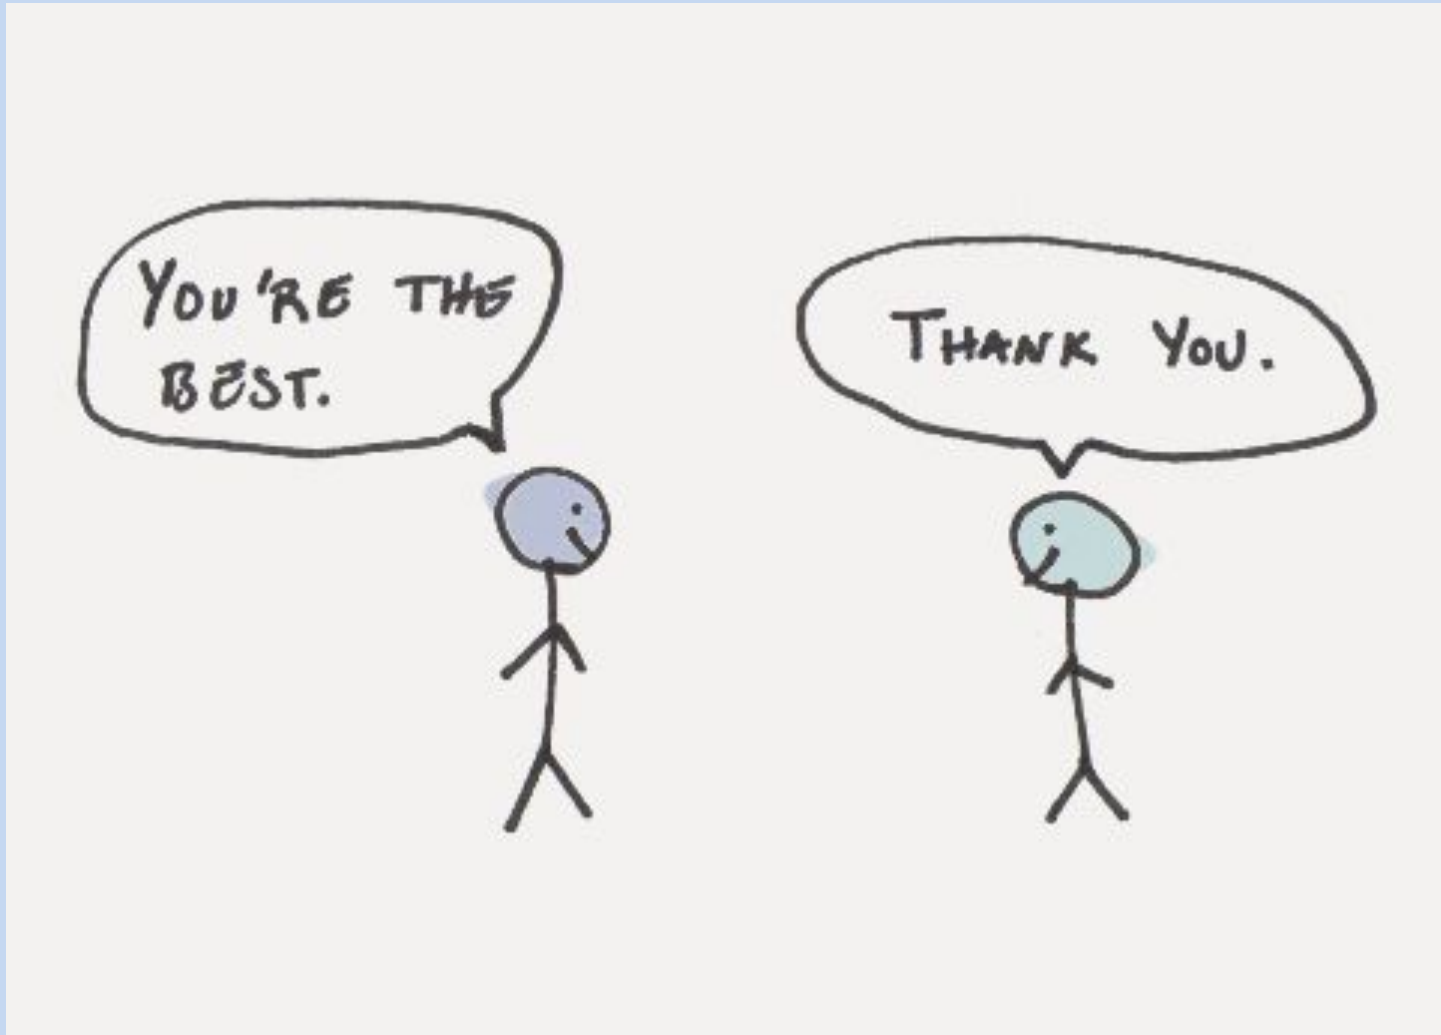

Good friends listen to each other.

Good friends don't put each other down or hurt each other's feelings.

Good friends give each other compliments.

Good friends try to understand each other's feelings and moods.

I just want someone  
who can

Understand my feelings.

**FEELINGS**

Good friends help each other solve problems.

# Good friends respect each other.

GOOD FRIENDS RESPECT  
EACH OTHER'S DIFFERENCES!

**Treat others with respect.**

RESPECT: Good friends respect each other's differences and treat each other as equals. They won't ask you to do anything that could hurt you OR put you in danger.

LOYALTY: True friends support each other and forgive mistakes.

**Love your neighbor  
as yourself.  
There is no  
commandment  
greater than these.**
