

A PowerPoint presentation to support classroom teaching with the following book:

What's For Dinner?

ISBN 978-1-7781895-2-4

Text: Laura Wischnewski

Design: Pat Trainor MacRae

© 2022 Mosaic Newcomer Family Resource Network / CC-BY-

This is a conditional free license on printable and presentation files: for individual or institutional use; non-commercial purposes only. More information and downloads available at <http://www.mosaicnet.ca/>

Tweaks to accommodate the grammatical and vocabulary needs of your class are allowable with this license, although attribution, notation of changes, and a link to the original file and an identical license are requested, if you share your version. If you change images, you are responsible for ensuring that your images are appropriately licensed and attributed. This PowerPoint file is easily editable. Pdf printing copies are not themselves editable, but you may use creative methods of your choice to do so, if desired. Note that the ISBN attaches to the original version of the printed book only, though it may form a part of the attribution in your altered versions.

Text has been created using Kimberley Geswein's **KG Primary Penmanship Alt** font—an excellent font for ELLs—at 72 pt size. This font has been licensed for the public distribution of this book and presentation. Note that for properly displaying this pptx file, you will need this font on your own computer. If you do not have it, it is available as a free download for individual use at [Teachers Pay Teachers](http://www.teacherspayteachers.com), or at various other online font sites (at your own risk).

If this is not possible for you, your computer will choose an alternate font, which may not be satisfactory. If this is the case, as a workable alternative, we recommend changing the font on all pptx text to **Century Gothic**, at 54nt size

What's for Dinner?

I buy the rice.

I cook the rice.

I eat the rice.

I buy broccoli.

I cook broccoli.

I eat broccoli.

I buy and cook
chicken, too.

I eat chicken with
rice and broccoli
