

INTRODUCING

NIK GONCIN

CLASSROOM   
CHAMPIONS  
*how better gets better and better*

Nik is a two time Paralympian in the sport of Wheelchair Basketball. Currently, he has his eyes set on qualifying for the 2024 Paris Paralympic Games.

He also competes with his local Calgary team domestically while not with the National Team.

Outside of training and competing, he work sat the Children's Hospital building orthotics for kids!

Most of his hobbies involve the outdoors if possible. In the winter you'll find him in the mountains snowboarding and in the summer, most likely golfing or hiking with his partner and doggo.

His current goal for this year athletically is a strong finish at the Para Pan American Games in Chile, in November 2023.

# Performance Stats:

Rio Paralympics - 2016

Peru Para Pan American Games - 2019

Tokyo Paralympics - 2020
