COIL

## Certification of Appreciation Certificado de Apreciación

We envision a fair and just world where people engage across differences to fully connect with others.

We believe that an educational environment that develops empathy and leadership through meaningful interaction across boundaries will make this vision a reality.

Fabiola Villaroel

Abigail Bryant, Director,  
Educational Opportunity Program,  
State University of New York

Hope Windle,  
Director, SUNY COIL Center

José Luis Jiménez,  
COIL Coordinator  
Andrés Bello Catholic University

This certificate acknowledges your role in the tremendous effort to bring cultures together.  
We thank you!
