Mario Party 9 Individual Levels Leaderboards

Rules:

You may choose whichever number of CPUs you want.

All runs require video proof (audio is preferred but not required)

Difficulty depends on category

Handicaps are not allowed

You may choose if you want bonus stars on or off.

Single Player only

Runs should be played in Party Mode, Solo Mode is not allowed.

Timing:

Timer starts when you press START after selecting the board

Timer ends when you see "You are the Superstar" on the selected board.

Mario Peach
