

Chores

LISTEN TO THE SONG

When you have a job that's not much fun

And you wonder when you'll get it done,

Don't wait till later – time may not allow!

Don't wait till later – do it now!

When you have some work that's not much fun,

A job to do before the day is done,

Don't wait till tomorrow – better not delay!

Don't wait tomorrow – do it today!

PROVERBS
