

DITCH THAT TEXTBOOK DIGITAL SUMMIT

About Vivi

- Vivi for Teachers is a FREE web-based app that allows students to share their voice, work, creativity, and screen wirelessly from their seats, removing some of the stress of sharing at the front of the class.
- It also offers a free virtual whiteboard which empowers students to share the process, not just the product.

Vivi for Schools/Districts

- Wireless screen mirroring for students and teachers
- Digital Signage which includes text & video announcements
- Emergency Alerts that can plug in with your current EMS or notification system
- Centrally managed to save time and ensure a smooth roll out
