<p>Improved Productivity 53% increase</p> <p>Better quality work product 48% increase</p> <p>Greater Organization Strength 48% increase</p>	<p>Better relationship with direct reports 77% increase</p> <p>Better relationship with Supervisors 71% increase</p> <p>Improved Teamwork 67% increase</p> <p>Better relationship with peers 63% increase</p> <p>Greater Job Satisfaction 61% Increase</p>

# What is Coaching ?

Coaching is a process of helping individuals ***realize their inner potential***, delivering fulfillment to both the individual and the organization vision, goal & desires

Coaching uses a process of inquiry and personal discovery to build Coachee' level of awareness & responsibility and provide the coachee with structure, support & feedback.

Coach:- Comes from the core meaning to bring individual's from where they are to where they want to be

Coaching is the art of facilitating, learning and development to improve performance

# What is Coach ?

A “trusted role model, advisor, wise person, friend, mentor, steward or guide” – a person who works with emerging human and organizational forces to tap new energy and purpose, to shape new vision and plans, and to generate desired results.

A Coach is someone trained & devoted to guiding others into increased competence, commitment and confidence.

# Why Executive Coaching

# Coach Qualities

To be effective coach one must believe that

1. People want to do well on their jobs
2. People want to grow professionally

Coach role is to help employees to gain the skills, abilities, knowledge and attitude that increase/improve their Performance & Potential

# Coach Qualities

An Effective coach does not need...

- To be right
- To be expert
- To know the right answer
- To be in control
- To fix it
- To heal it or make it better

An effective Coach leverage individual own knowledge, talents & expertise and not impose their own advise/instructions

# Coach Qualities

An Effective coach knows when to coach...

1. When your task is to manage or lead, not coach
2. When the person is not willing to be coached

The employee need to consult Coach ...

- During Goal Setting
- During Performance Reviews
- Individual Professional Dialogue discussion

# Coach Qualities

## An Effective coach

- Must know how to ask the right questions without making the individual feel uncomfortable
- Listen well to answers
- Talk frequently with the employee
- Become a good Guide
- Give regular & periodic feed back

# Some Do's of Coaching

- Motivate employees but go beyond pep talks
- Encourage individual growth by creating a positive environment.. work on enablers
- Make sure that employee understand how their jobs linked with the company's overall strategy & mission
- Write down development goals & recommend training program & resources that will help individual to achieve their goals
- Acknowledge employee differences/diversity

# Some Don'ts of Coaching

- Don't promise to reward added efforts with a raise or promotion, if you can't deliver
- Don't change your styles in mid stream, else employee loses trust
- Don't loose your patience
- Don't allow little problem to grow into big one.. Deal with them as they arise
- Don't be judgmental or pass negative comments

# Key Principles of Coaching

- Maintain or enhance self esteem
- Proper Coach synergy
- Listen and respond with empathy
- Ask for help and encourage involvement
- Share thoughts, feelings & rationale
- Provide support without removing responsibility
- We are all Picasso's – in – Training

# Process for Coaching

1. Checking for understanding
2. Making procedural suggestions

Important to:

1. Clarify
2. Focus
3. Confirm
4. Communicate
5. Implement
6. Commit

# Coaching Questions

- What is your purpose?
- What do you need to learn?
- What do you perceive are your greatest strengths?
- Can you identify the pattern of when you have gotten in your own way?
- What skill or ability would you like to develop?
- What decision do you need to make?
- What gives you meaning?
- What are your 3 most important values?
- What limiting self-talk are you aware of?
- What are your personal resources?
- What changes do you want to make?
- Which first steps can you take?

# Executive Success Factors

## Steps To Executive Success

*I absolutely believe that people,  
unless coached, never reach their  
maximum capabilities*

– Bob Nardelli, CEO, Home Depot
