P2 Homework

Maths:

With your homework helper, play 'Shop'. You may remember playing it during Home Learning. Collect items from around your house to 'buy' in the shop. Make price tags so the 'customer' knows how much to pay (use the ones attached or make your own).

This week we are going to revise using 1ps to pay for items. Put at least 10 1ps in a purse or place them on the purse template attached. Take turn with your homework helper to be the customer and to be the shopkeeper.

Keep the price tags for your homework another time.

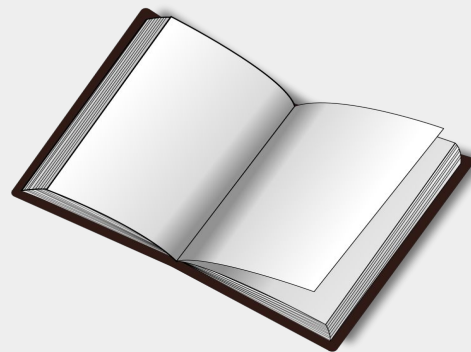

Literacy:

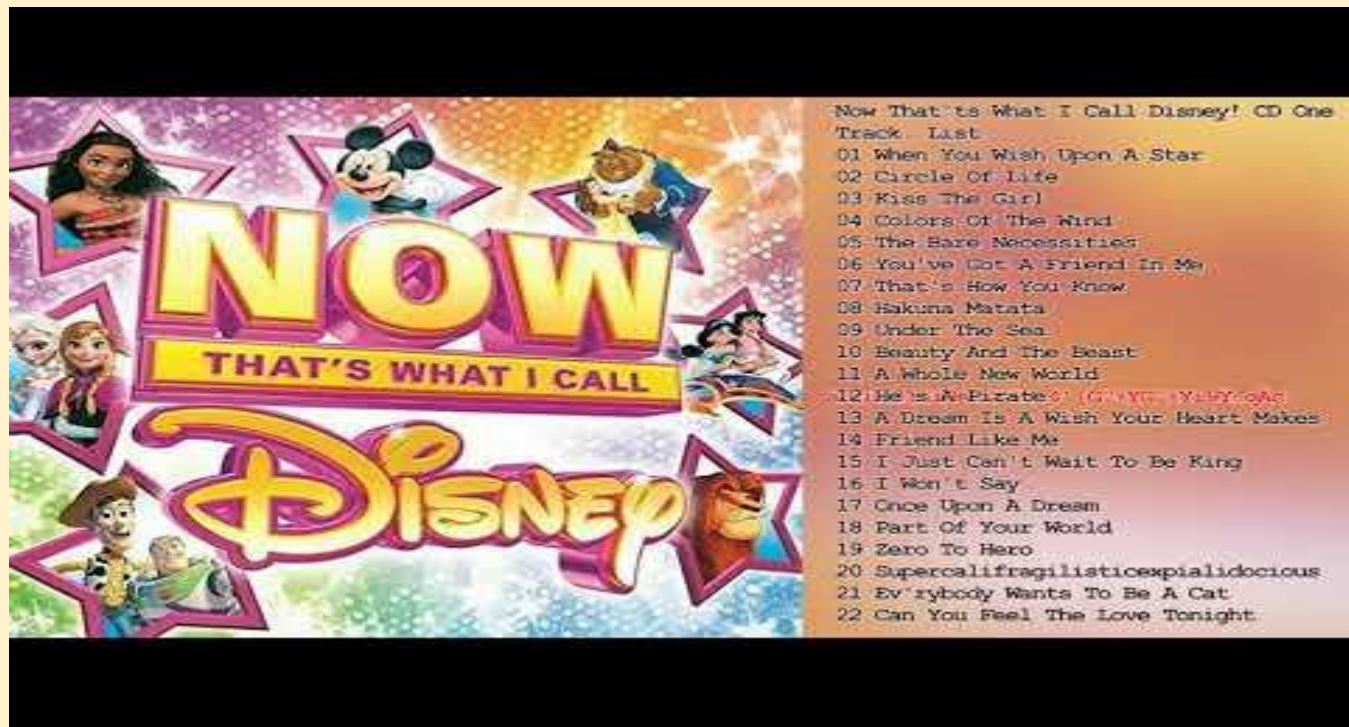

Click on the sound below to revise the sound we have been learning in class last week. Join in with reading the words. Now go on a 'w' hunt in your house. Look in books or on packaging. Where you able to read any of the 'w' words? Take a photograph of some and send it to your teacher.
