

6 - 3 - 5 Brainstorming Method:

What Is It?

A process by which a team can generate ideas and build off each other ideas.

How is it done?

3-6 people, each write 3 ideas on a separate sheet in 5 minutes and then pass the sheet to the next person who builds on their ideas or adds more of their own, each rotation takes 5 mins.

In-person: After 5 minutes, pass your sheet to the person on your right and take the sheet from the person on your left.

Remotely: After 5 minutes, move your cursor to the next sheet in the circle clockwise from your starting sheet.

6 people- 3 ideas- 5 minutes!

Prerequisite: This presentation assumes you already know how to access the FigJam file and are authorized to edit.

Purpose of Presentation: To explain the 6 - 3 - 5 Brainstorming Method.

Requirement: A moderator for every group/session

Overview

There will be two phases: Brainstorming, and Mapping.

Phase 1: Brainstorming

Step 1: Moderator explains how this method works: 5 minutes

Step 2: First round is run to see how it works and feels for everyone: 2 minutes

Step 3: Moderator takes questions and cleans up: 3 minutes

Step 4: The other five rounds are run: 10 minutes

Total: ~20 minutes

Phase 2: (Affinity) Mapping

Instructions are provided in the last slide and/or [here!](#)

Instructions

Step 1: Everyone is assigned a **color and row** that has **their name** already typed on **all sheets**

Example: Sheet 1 (right picture)

SHEET 1

Bonnie	CCA #1	CCA #2	CCA #3
Olivia	CCA #1	CCA #2	CCA #3
Leroy	CCA #1	CCA #2	CCA #3
Chali	CCA #1	CCA #2	CCA #3

Step 2: Look for your **name** and **the order of your row** from **top to bottom** on **any** sheet.

Example: Sheet 1 (right picture)

How to find your starting sheet

Step 3: If your row is the **second from top to bottom**, your starting sheet is **Sheet #2** - go there!

Example:
Rabia starts on Sheet #2 because her row is the second one from top to bottom.

Similarly, if your row is the **last one** from top to bottom, your starting sheet is **Sheet #6** or the **last sheet**.

Example:
Chali starts on Sheet #6/last sheet because her row is the last one from top to bottom.

Step 4: Start writing your 3 ideas as the timer of 5 minutes starts!

Step 5: When the timer goes off, go to the **next sheet** in a circle **clockwise** from your starting sheet.

Example: Wendy will go from Sheet #1 to Sheet #2 that has Rabia's ideas! (picture below)

Step 6: Build your ideas **from the person's ideas** on the sheet OR create more of **your own** ideas!

Example: Wendy adds 3 ideas above Rabia's ideas! (picture below)

Note:

As you go through each sheet, more ideas will already be there. Feel free to build ideas from anyone's ideas on the sheet!

Step 7: Keep going for more rounds until everyone is back to their **starting** sheet!

Example: Wendy is back to her original sheet and seeing others' ideas on the sheet! (right picture)

Mapping phase: after all ideas are written

Step 1: Post-brainstorming break: 5 minutes

Meanwhile, the moderator will skim through the ideas, identify some common themes, and generate an affinity map.

Step 2: Everyone categorizes their ideas on the affinity map: 5 minutes

Step 3: Unmapped ideas are reviewed and categorized appropriately: 10 minutes

Step 4: The team goes over each category: 20 minutes

Total: ~40 minutes
