YMCA of Greater Rochester
We build strong kids,
strong families, strong communities.

The Camp Cory Alumni Association established a digitization program in 2015. The primary mission of the program is to serve the Camp Cory alumni community and the general public by providing digital access to the unique collection of Camp Cory Culminaries. Digital collections are openly available for a variety of purposes - nostalgia, teaching, research, learning, and entertainment. The Camp Cory alumni community values digital access to this growing body of unique materials that document the history of Camp Cory. These digitized archival collections provide evidence of institutional activities and decision-making, as well as the activities of individuals and organizations. Digital access to these materials enhances their use, ensures accountability, and provides broader access to historical records.

The nature of historical materials is such that some material may represent positions, norms, and values that are no longer (or never were) consistent with the positions, norms, and values of YMCA Camp Cory, the YMCA of Greater Rochester, or the YMCA of the USA. Some materials that are part of our digital collections may be considered offensive. This project strives to provide context for these items through descriptive records, and where considered necessary, statements attached to the digitized object that provide a warning about potentially sensitive content.

Specific objections to materials will be addressed in accordance with the Camp Cory Alumni Association mission and this policy, which is informed by best practices, codes of ethics, and responsible and sensitive handling of cultural materials. Possible actions may include but are not limited to the following:

- The identified materials remain available online with no change
- Provision of additional descriptive information to provide context for the materials in question

In rare cases, removal of materials from online access may be considered. However, the Camp Cory Alumni Association places an extremely high value on providing access and context. Therefore, this option may be considered only in exceptional circumstances.

The Camp Cory Alumni Association supports the principle of freedom of access to information for every user and proudly endorses the [American Library Association \(ALA\)'s *Library Bill of Rights*](#); [ALA's *Access to Digital Information, Services, and Networks: An Interpretation of the Library Bill of Rights*](#); the [ACRL-SAA Joint Statement on Access: Guidelines for Access to Original Research Materials](#); the [ACRL Code of Ethics for Special Collections Librarians](#); and the [Society of American Archivists \(SAA\)'s *Core Values Statement and Code of Ethics*](#).

Camp Lawrence Cory

For over seven decades Camp Lawrence Cory has provided camping experiences for thousands of young people.

The camp was originally financed by a gift from the Harvey E. Cory Family in memory of Lt. Lawrence Cory, who died in combat during World War I. It began operation known as Camp Cory in 1921. For 54 years Cory was a boys' camp. It became co-ed in 1954.

The camp site covers 27 acres including 3 waterfront areas, 2 athletic fields, tennis courts, basketball and volleyball courts, K-boats, canoes, an archery range, campfire areas, an outdoor chapel and an arts & crafts area.

Camp Cory gives youngsters an opportunity to develop leadership and inter-personal social skills.
