# Transportation

Teachers will collect individual transportation information at Meet the Teacher.

## Bus Riders:

Register for WCPSS transportation using this link:  
[2024-2025 Bus Transportation](#)

Teachers will place a bus tag on your child's backpack on the first day of school.

## Walkers:

Students who live in the walk zone are unable to ride a bus. Designated "walk zone" families are able to walk to and from school each day. Anyone who lives in the walk zone will receive a "walker" tag on their backpack so staff know they are able to walk or use carpool.

## Carpool:

Your carpool tag will be waiting for you in your classroom during the Meet the Teacher event. Returning families, we will be providing NEW carpool numbers this year. You will have a new tag distributed to you at Meet the Teacher.

# Summer Reading Challenge

This summer, Baucom Elementary School is teaming up with the Wake County Public Library for a Summer Reading Challenge! To participate, visit your local library (Eva Perry is likely the closest) to pick up a game board. [Click Here](#) or scan the QR code on the flyer to the right to see the details.

Throughout the summer, you will be challenged with adventures that support a love of reading.

At the end of the summer, bring your completed game board back to the public library to claim your prize. Save that game board and bring it to Baucom during the first week of school and you will earn your Kona Ice reward!
