2. Navigate to Menu Planning > Production Records
3. Click the pencil to edit the lunch meal

4. Select the date that you need to plan your field trip meals for.
 - a. Dates in green are already planned, dates in red have not yet been planned.
 - b. Click the arrows or use the drop down menu to change months.

Questions? Email your field coordinator and CC: info@mywaycafe.org

5. In the search bar type in > Field Trip Meal and select. A field trip meal will be added to your production record.

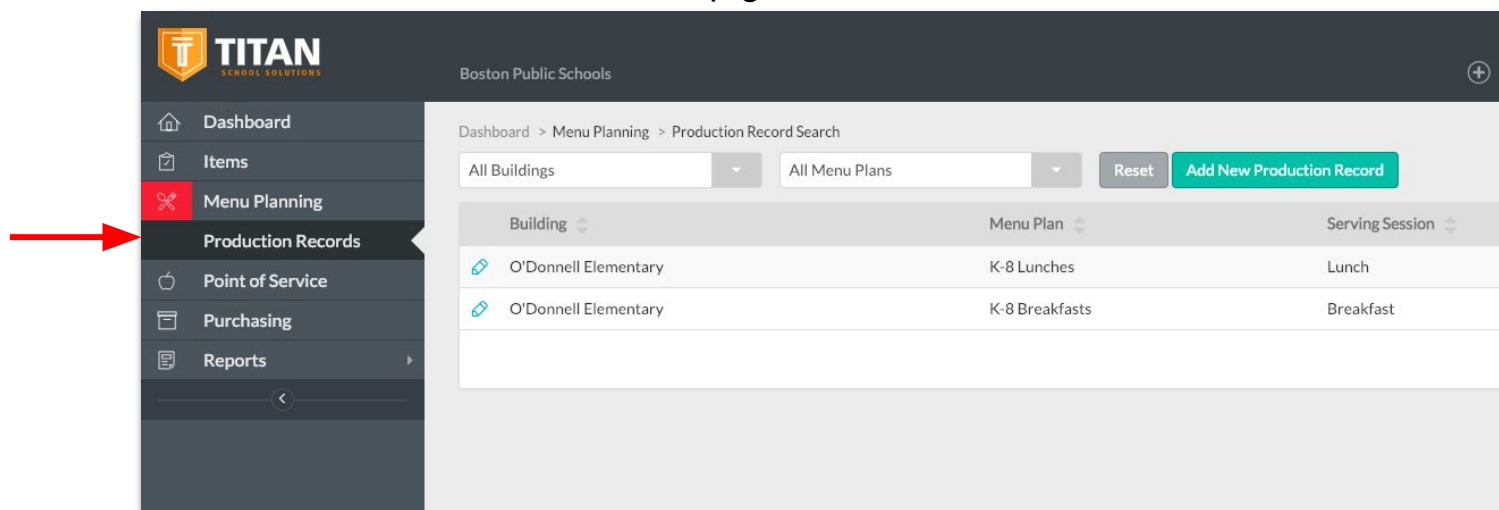

The screenshot shows the Titan School Solutions interface. At the top, it displays 'Vegetable, dark leafy greens (0 Servings)' and 'C-RBROC9-0 roasted broccoli - fresh'. Below this, there are input fields for quantity (0) and serving size (1/2 cup serving). A search bar contains the text 'field trip' and a magnifying glass icon. A dropdown menu below the search bar shows 'Field Trip Meal' as a selected item. A red box highlights the search bar and the dropdown menu. A red arrow points upwards from the bottom of the search bar area towards the 'Plan' button. At the bottom right, there are 'Close' and 'Plan' buttons, with the 'Plan' button highlighted by a red box. A 'Reset' button is visible on the bottom left.

6. Write the number of servings planned for the field trips in the Reimbursable Planned column. Non-Reimbursable Planned is only for adults who purchase meals.

7. When you're all done, scroll down and click Plan on the bottom-right corner. When the Production Record is planned:

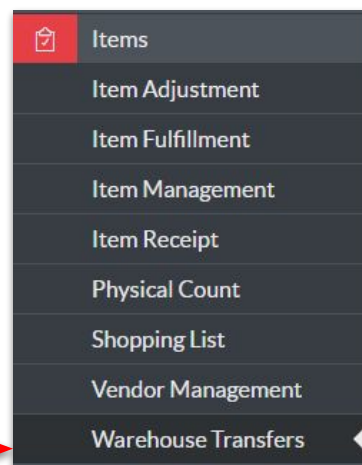

8. To plan the Production Record for the next meal, click Production Records again. All Planned Production Records will show up green on the calendar.

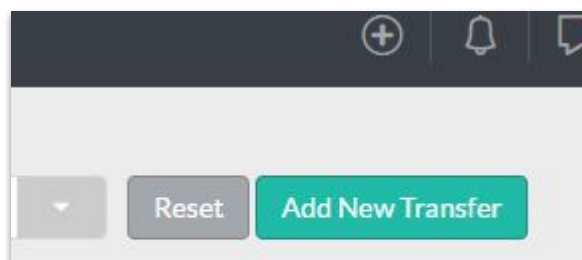

Once you are done planning your production record please create an order guide for a field trip meal delivery. Please following the **“Ordering Guides and Warehouse Transfers”** instruction.

Submitted your Ordering Guide but forgot to add an item?

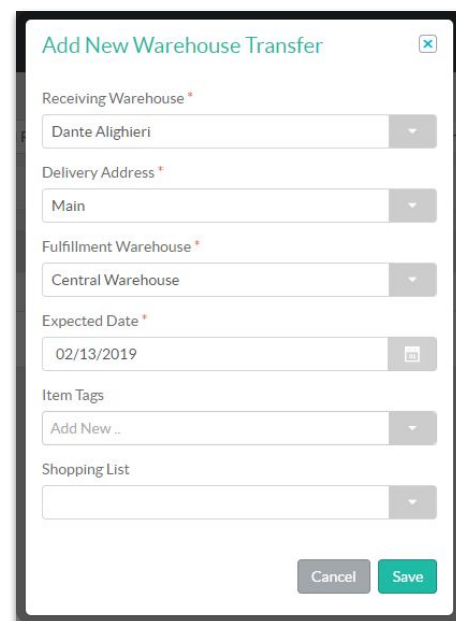

1. Go to Items > **Warehouse Transfers**.

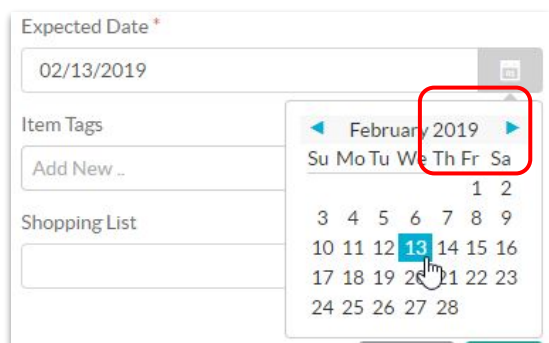

2. Click the blue “Add New Transfer” button in the top right.

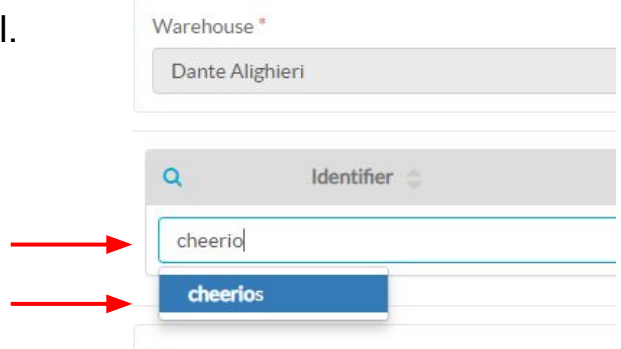

3. Receiving Warehouse, Delivery Address, and Fulfillment Warehouse should all already be filled out. If not, select the correct entries and the Fulfillment Warehouse is “Central Warehouse.”

4. Change the expected date to the delivery date of the order that you wish to add the item to by clicking on the Calendar icon and clicking the desired date.

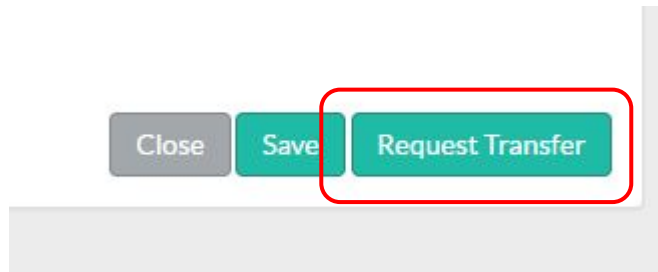

5. Type the item that you need into the search and click the correct entry result. You can repeat this step to add any number of items as well.

6. Enter the desired amount(s) into the textbox that appears. Also, make sure the Unit Of Measure is correct.

7. Click the blue “Request Transfer” button on the bottom right of the page (you may have to scroll down)
