

INTRODUCING DEVIN WARDROPE

CLASSROOM 
CHAMPIONS
how better gets better and better

A self-described adrenaline junkie, Devin always loved sports but couldn't find one that suited his desire for speed. Enter luge! His parents encouraged him to take a recruitment camp and he found an immediate connection with the individuality of the sport, the speed, and the adrenaline rush it provides. Devin has spent the last five seasons competing across the world and representing Canada on the international stage. Most recently he and his doubles luge partner, Cole Zajanski, finished 4th at the 2022 Whistler World Cup.
