Summer 2020

Below is a collection of my
VPDRs for EDIT 5028

The image shows three columns of content. Each column has a top section with a screenshot of a mobile site and a bottom section with text and a button. The columns are: 'About Me', 'Installing Mobarise', and 'Publishing Mobarise'. Each section includes a blue button with the same title as the section header.

UPDATED: June 20, 2020

A time stamp in the top-right corner of the site alerts visitors to the page of the last time the page was modified.

EMAIL ME

Visitors to the site may email me directly by clicking on the "Email Me" button.

This image is a smaller version of the content shown in the middle-left image, featuring three columns for 'About Me', 'Installing Mobarise', and 'Publishing Mobarise' with corresponding text and buttons.

Visitors may view and download work created for EDIT 5028.

Click on the button to the left for a video tutorial of my site.
