Increasing opportunities to share and repair pre-loved items

- The Black Isle Repair Cafe - Repair, reuse and recycle
- Re-love sale - Seeking value in second hand
- Swish and Swap - Growing sharing networks

Working towards...

- Repair Cafe workshops
- Exploring 'Re-love Pre-loved' events
- Library of Things
- Speaker at Circular Communities Scotland conference

Increasing opportunities to share and repair pre-loved items

TRANSITION BLACK ISLE BLACK ISLE LIBRARY OF THINGS

Transition Black Isle and Black Isle community groups have many resources which can be lent out for community use and events...so it seems best practice to share rather than buy new!

An initiative we are working towards involves creating a 'Black Isle Library of Things' where community groups and residents can borrow items. Quite like a lending library and inspired by Clachworks Tool Library
