# Theme

Theme: not let go of the little things

-The balloon symbolizes the little things

-the hand represents the letting go and trying to get it back

-The clouds and purple background show dreams and hope

-the blue is your regret of letting go and brings you to reality of what happened

## Essential question

What are fundamental differences between a thoughtful and a thoughtless critique?

A thoughtful critique is this is a great and it just needs one more thing

A thoughtless critique this is awful you should start over and this does not convey theme

## Essential question

Can all people be artist?

Yes all people can be artist because everyone is talented and has the ability to be good at art and succeed at the task.

# Essential question

How to make an object 3 dimensional?

To make a 3 dimensional object you draw the figure of your choice and then draw the same figure on top of it and connect the sides, Then shade the sides in.

# Essential question

What is a theme? and what is topic

A theme is conveying the topic but in a meaningful way

A topic is explaining the topic but not in a meaningful way
