Crosby ISD PORTRAIT OF A Graduate

CISD commits to developing graduates who are:

Effective Communicators

- Express ideas clearly and effectively
- Actively listen to others to drive meaningful dialogue
- Use words to foster understanding and collaboration

Kind & Compassionate

- Treat others with respect and empathy
- Are trustworthy and transparent in all aspects of their academic and personal lives
- Build positive and productive relationships

Emotionally Intelligent

- Recognize and regulate their emotions
- Understand the impact emotions have on their behavior and decision-making
- Aware of their own values and ensure their actions align with those

Goal-Oriented & Determined

- Are confidently curious and set ambitious goals
- Resourcefully and flexibly adapt to stay on track
- Persevere through difficulties and set-backs

Service-Minded & Accountable

- Contribute to the community

OUR MISSION

The mission of the Crosby Independent School District is to produce literate, responsible citizens capable of learning and applying academic and social skills successfully in any life situation.

Through the educational experiences we provide our students in pursuit of their dreams.

Effective Communicators

Kind & Compassionate

Emotionally Intelligent

Goal Oriented & Determined

Service-minded & Accountable

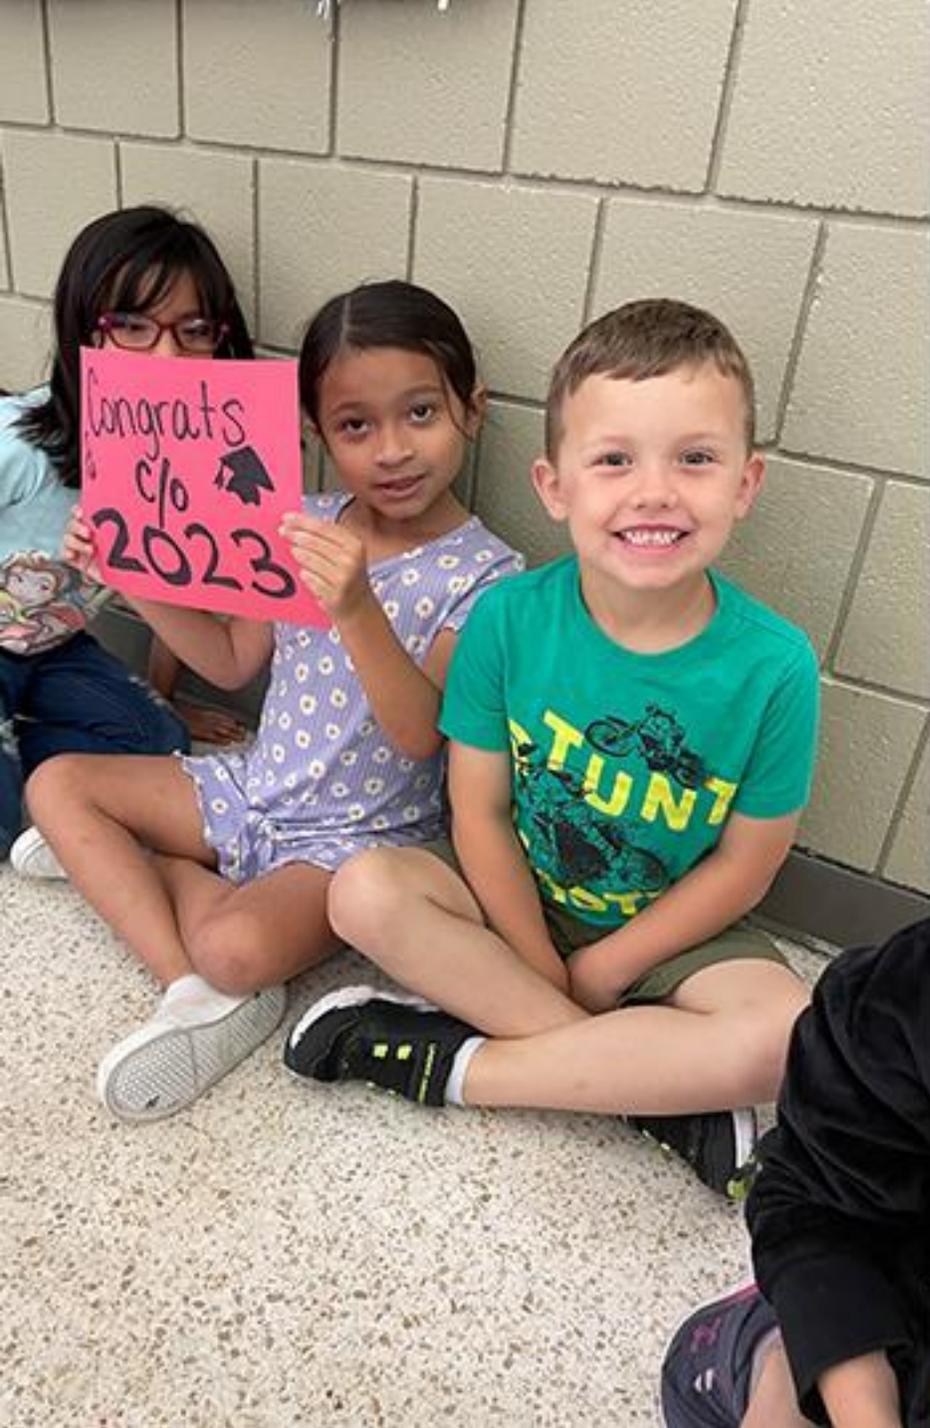

Effective Communicators

Express ideas clearly and effectively

Actively listen to others to drive meaningful dialogue

Use words to foster understanding and collaboration

Kind & Compassionate

Treat others with respect and empathy

Are trustworthy and transparent in all aspects of their academic and personal lives

Build positive and productive relationships

Emotionally Intelligent

Recognize and regulate their emotions

Understand the impact emotions have on their behavior and decision-making

Aware of their own values and ensure their actions align with those

Goal-Oriented & Determined

Are confidently curious and set ambitious goals

Resourcefully and flexibly adapt to stay on track

Persevere through difficulties and set-backs

Service-Minded & Accountable

Take the initiative to contribute to the greater good

Take ownership over their actions and the impact they have on others

Responsibly fulfill their commitments

Service-Minded & Accountable

| | PK-5 | 6-8 | 9-12 |
|---|---|--|--|
| Take the initiative to contribute to the greater good | Students participate in activities that help their community. | Students seek opportunities to participate in community service opportunities. | Students understand and act on their responsibility to have a positive impact on their community. |
| Take ownership over their actions and the impact they have on others | Students are responsible for their behavior. | Students recognize the impact of their actions on others and develop a sense of personal responsibility. | Students have expectations for themselves and feel personally responsible for their actions, both negative and positive. |
| Responsibly fulfill their commitments | Students do what they say they will do. | Students own their commitments and understand the importance of honoring them. | Students are invested in their commitments and feel empowered to fulfill them. |
