

Why I should be house
captain!

My name is saffy like you might now

I have 7 chickens 9 sheep and 7 ducks!!!

I love all animals!

My sheep are going to have lambs soon!

I have a great sense of humour.

My mascot

I would have a mascot so it would support you

Whether I am there or not!

My mascot would be a surprise!

Hawks is a house that should be supported

Because we can be the best house of the four.

We could make a chant so we support younger children and older.
