GIVE STUDENTS URL FROM THE MEASURES PAGE.

The screenshot shows a web browser window with the URL <https://app.easycbm.com/teachers/auth/measures.php#>. The page is titled "Measures on easyCBM" and includes a navigation menu with "Measures" selected. A dark grey box contains instructions: "Select the grade level difficulty of the measure you want to access, then scroll to its section. For measures that can be administered online, have your students visit the link below and follow the on-screen instructions. For Benchmark measures, you will need to upgrade to Teacher Deluxe. For Progress Monitoring measures, mark the checkbox next to each measure you want listed for your students. An answer key for the Benchmark measures is provided below." Below this is a blue link: <https://app.easycbm.com/joycem3>. The "Progress Monitoring" section shows a grid of grade levels from K to 8, with "4" selected. Underneath, there are filters for "Show: All", "Reading (PRF | MCRC)", and "Math (NUMOP | MDA | NUMOPALG)". The "Reading: Passage Reading Fluency" section is partially visible at the bottom.
