

FEBRUARY 2023 NEWS

Grade 3 Westbrook Elementary School

Eureka Math

Module 4: Area and Multiplication:

Students have been studying area as an attribute of a two-dimensional figure. End of Module assessment will be on February 8.

Module 5 Fractions as Numbers on the Number Line: Students will develop an understanding of fractions as numbers. Topic quizzes will be announced prior to being assigned to students.

Science and Social Studies

Science: **Animal Adaptations**
Students will design an animal that can live in a particular biome.

Social Studies: **Geography and culture.** Students will interpret geographical information and be able to discuss human geography.

Benchmark

Unit 4: As we complete Character's point of view, the culminating activity will be an opinion essay about the villain in "Jack and the Beanstalk".

Week 2 assessment: 2/1.

Week 3 assessment: 2/8.

Unit 5 Advancements in Technology will begin the week of February 7th. Students will seek to answer the essential question: "What is the Value of Innovation?" Students will write their own opinion essay and publish using technology.
