

INTRODUCING

ANNIE TANSLEY

CLASSROOM   
CHAMPIONS<sup>®</sup>  
*how better gets better and better*

Antoinette Tansley, or as her teammates call her, Annie, has skied since she was little. It's a sport her whole family engages in, and when her family resided in Texas for five years, a 10+ hours drive to the nearest mountains didn't stop them. Since making the transition to ski cross in 2016 she has raced a mix of North American, South American, and European Cup races, reaching over 20 podiums representing Canada. Annie is a dual citizen and recently made the switch to the USA National Team.

Annie studies international relations at the University of Calgary and balances skiing alongside schoolwork as she works hard to reach the top of the sport. Outside of sport and school, Annie enjoys spending time with her friends in the mountains, biking, hiking, and camping.

# Performance Stats:

12x North American Cup Medalist

3x South American Cup Medalist

4x European Cup Medalist

2x National Championships Medalist

## FUN FACTS!

*I moved 8 times before I graduated high school, living throughout Canada, the US, and France. I used to coach in Chile and Argentina in the summer and I also have a cat named Lucy!*
