I was so lucky to be invited to Dallas Valley Ranch camp with grade 5s as a chaperone with Regin Huda School. The students, teachers, and the weather were amazing. It is a great idea to take your students on a trip to experience many fun things. [#edtc300](#)

Great work Morgan! I keep hearing about 3-D printing, but I have not thought about it. Now I know what it looks like. well done and thank you.

Reply ↓

the ukulele in your teaching? I feel like this could be super fun in the classroom!

Emily Mooney June 20, 2022 at 9:16 PM

Thanks, Taylor! I can definitely see myself incorporating ukulele in my future classroom. I learned Happy Birthday because I think it would be an extra-special celebration for primary students, and ukulele would be great in Music classes or as a transition signal in any class. Thanks for the comment!
