

Summer at The Sunshine Group

This summer, I will be going to camp at The Sunshine Group.

I will take a bus or my family will drop me off.

When I get to camp, I will be greeted by my new counselors and meet some new friends.

I will start my day finding a spot for my backpack and going to circle time in the big tent.

Then

In the tent, we will sing songs
and learn about the day.

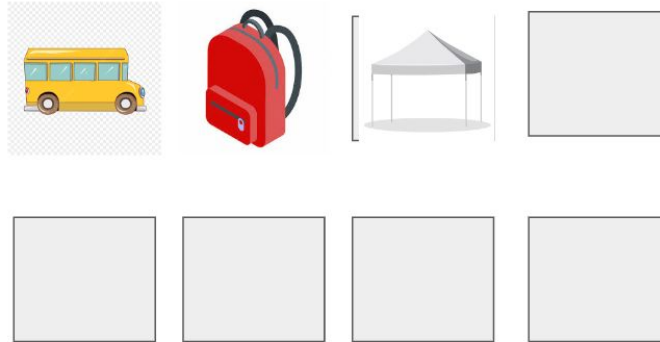

Then I will follow my counselors and group to have fun.

When I am at camp, I will follow my schedule. My counselors can show me my schedule so that I know which activity is next!

Visual Schedule

When it is my group's turn to be in the field, I will play games in the field.

It might be hot, so I can ask for a break or ask for water.

When it is my groups turn for crafts, I will make arts & crafts in the gazebo. If I need help, I can ask for help.

Can you
help me?

We will all have snack time and read a story together.

We can get wet at camp too! We can play on the water slide and on the slip and slide. We have to be safe and follow the rules.

When it is time to get off the slides, I can change into dry clothes. Or I can stay in my wet clothes to help me stay cool until I dry off!

We can play on the playground but I have to ask an adult first.

When it is my turn, I will be able to choose what I would like to do. There are a lot of things to do! I can ask my counselors what else I can do at camp.

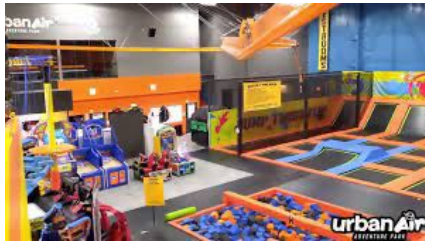

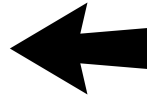

If I need a break or need to go to the bathroom, I will ask my counselor and they can bring me to the bathroom or Miss. Peck's office.

At the end of the day, I will wait with my counselors until my family or the bus picks me up. Then, I will get to go home!

Some days, we will go on the bus to take a trip somewhere cool! We all sit on the big bus together. I should always stay with my counselors on a trip.

Other days, we will go swimming at a pond or at a pool. It is a lot of fun to swim! I need to stay safe and stay with my counselors.
