# ALUMNI WANTED

The world is forever changing with various social media outlets. Our children are becoming dependent on “likes” and “statuses” to determine their own value. In this independent and rapidly changing society we are asking our Perris High School Alumni to help uplift the students’ confidence and self worth with your testimony of how Perris High School inspired you to succeed.

Come share your story of how hard work and dedication helped to open doors of possibility for you. We invite you to come inspire our students’ in hope of changing their demeanor and outlook about education and equip them with the necessary tools to become successful in life after high school.
