Purpose for Presentation

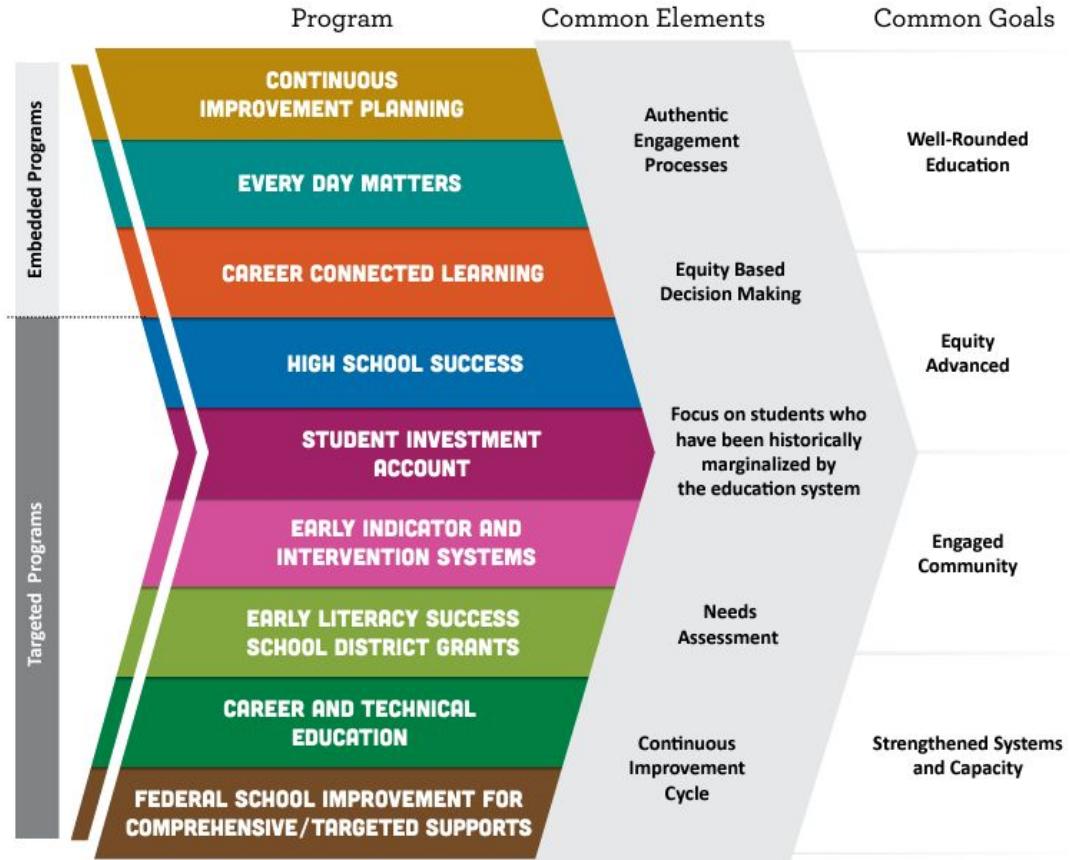

- To share what was prioritized in the plan given the range of inputs
- To explain how the plan was developed
- To hear additional feedback on the plan now that it has been developed
- To seek board approval

Background

- Integration effort was responsive to requests from educational leaders and state legislators
- Combined processes for community engagement, needs assessment, planning, budgeting and evaluation for nine programs
- Designed to reduce burden and redundancies and improve the framework by which progress can be measured over time

Aligned Programs & Common Goals

Summary of Program Purpose

Centering supports from kindergarten readiness through college & career and especially for focal group students.

Continuous Improvement Planning (CIP) - A process involving educator collaboration, data analysis, professional learning and reflection - toward improved outcomes for students and especially students experiencing disparity.

Every Day Matters - (EDM) - Embedded across the five other programs, focusing attention on student engagement, school culture, climate/safety & culturally sustaining pedagogy.

Career Connected Learning (CCL) - Framework of career awareness, exploration, preparation, and training that is both learner-relevant and directly linked to professional and industry-based expectations.

Summary of Program Purpose, continued

Centering supports from kindergarten readiness through college & career and especially for students who have experienced disparities.

High School Success (HSS) - Systems to improve graduation rates and college/career readiness.

Student Investment Account (SIA) - To meet students' mental health, behavioral needs and increase academic achievement/reduce disparities for student focal groups.

Early Indicator and Intervention System (EIIS) - The development of a data collection and analysis system, in which educators collaborate, to identify supports for students.

Summary of Program Purpose, continued

Centering supports from kindergarten readiness through college & career and especially for students who have experienced disparities.

Early Literacy Success School District Grants (ELGSSG) - Grants to school districts in order to Increase early literacy for children from birth to third grade, reduce literacy academic disparities for student groups that have historically experienced academic disparities, increase support to parents and guardians around literacy, and to increase access to early literacy learning through support that is research-aligned, culturally responsive, student-centered and family-centered.

Career and Technical Education - Perkins V (CTE) - Improving access and participation in education and training programs that prepare learners for high-wage, high-skill, in-demand careers.

Federal School Improvement - Address the academic disparities for named focal student groups and subject areas at schools identified as Comprehensive Support and Improvement (CSI) and Targeted Support and Improvement (TSI).

Equity Lens, Tool(s) & Decision Making

Parkrose School District
Equity, Diversity, and Inclusion Lens

WHAT IT IS

- An equity lens is a set of questions we ask ourselves to ensure equitable outcomes

WHEN TO USE IT

- When we are planning, developing, implementing or evaluating a policy, program or decision

Examples: budgeting • hiring practices • curriculum adoption • SUN offerings • athletic fees • classroom practices • contracting • course offerings • discipline practices • event planning • extracurricular • instructional strategies • time resource • time • resources • gain community partnerships • outreach

HOW TO USE IT

For any policy, program, practice or decision, consider the following questions:

- PEOPLE: How are people affected positively or negatively in terms of barriers they experience?
- PLACE: What kind of positive or negative environment are we creating?
- POWER: How is the power of decision-making shared with those it affects?
- PROCESS: Does the policy program or decision improve, worsen or make no change to existing disparities?
- PLAN: How will you reduce the negative impacts and address the barriers?

PEOPLE: How are people affected?

PLACE: Are we creating a positive environment?

POWER: Are we sharing decision making with those affected?

PROCESS: Do our actions improve or worsen equitable outcomes?

PLAN:
How do we reduce negative impacts and barriers for our students?

Longitudinal Performance Growth Targets (LPGTs)

ODE co-develop Longitudinal Performance Growth Targets with grant recipients, based on:

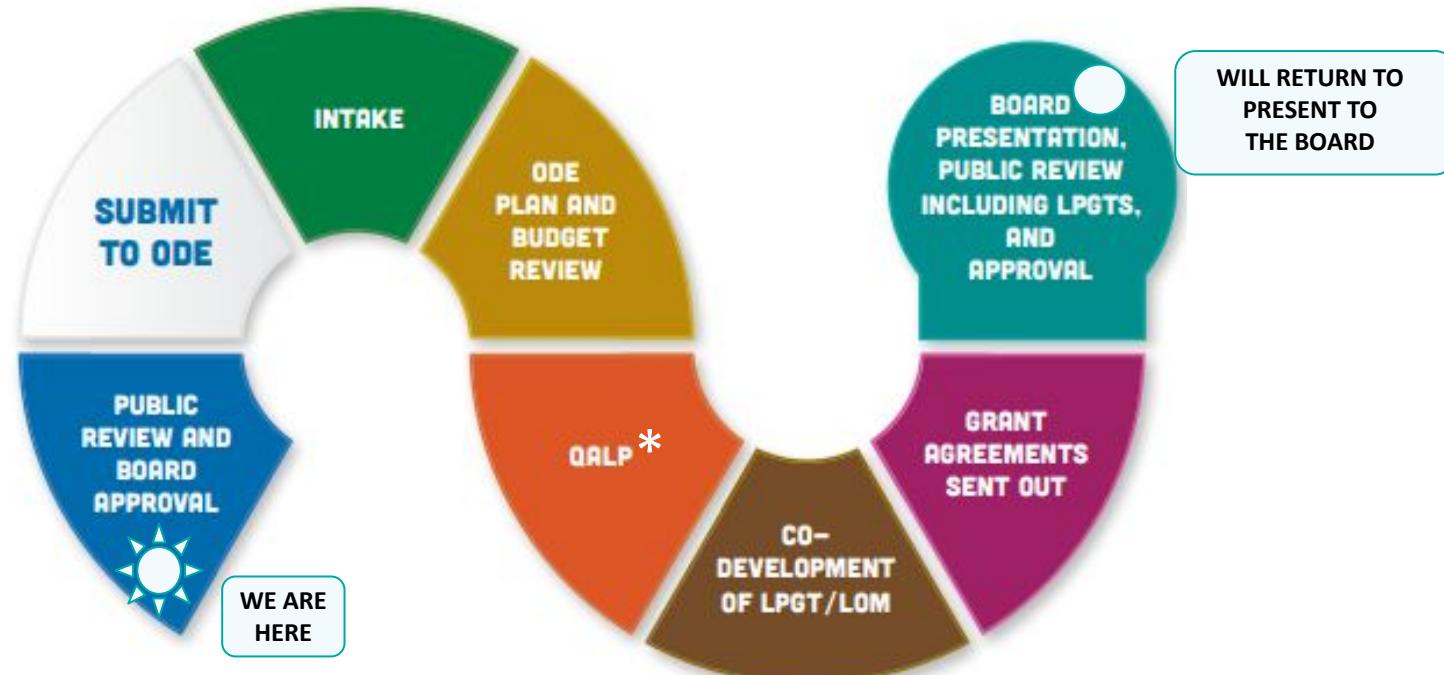

- Data available for longitudinal analysis;
- Guidance established by the department; and
- Overall and disaggregated rates for the following metrics:
 - Third-grade reading proficiency rates measured by ELA
 - Ninth-grade on-track rates
 - Regular attendance rates
 - Four-year or on-time graduation rates
 - Five-year completion rates

*Grantees may also set local optional metrics
