

Slide Highlights

Historical Places: Teachers share this slide with their entire class. Each student is assigned a slide to edit based on the directions on slide #2. Prior to doing this lesson, the teacher should discuss ethics and discourage students from editing someone else's slide. Students can be shown the Version History in order to demonstrate the teacher is able to see which student modified a slide. Students are encouraged to provide positive and constructive feedback if visiting a slide.

“A people without
the knowledge of
their past history,
origin and culture
is like a tree
without roots.”
