

SNPHA  
GENERAL  
BODY  
MEETING

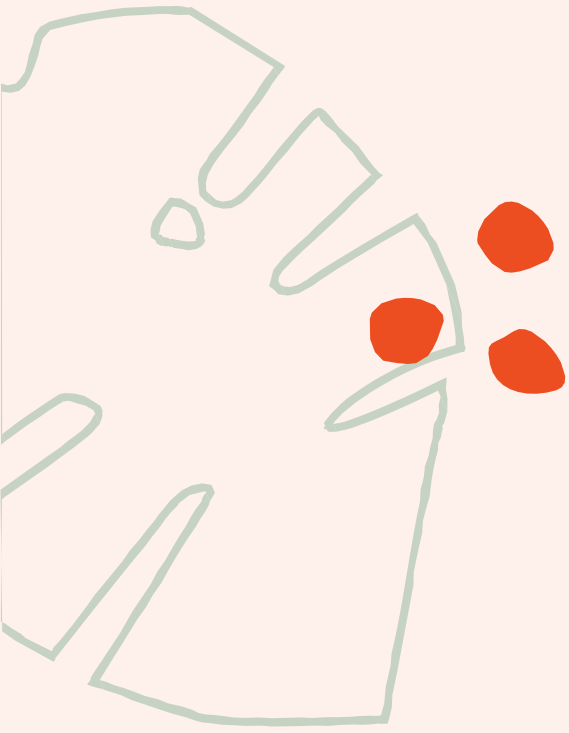

WELCOME TO OUR  
FIRST GENERAL  
BODY MEETING

!!!!

# Attendance

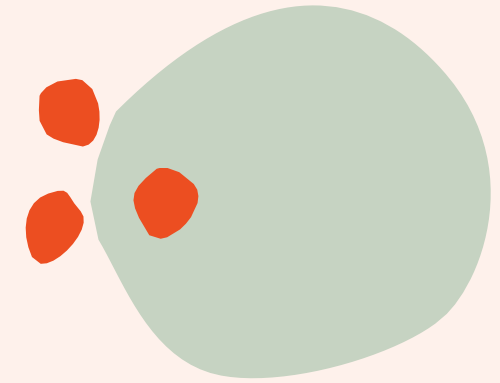

# WHAT IS SNPHA?

## OUR GOAL

The Student National Pharmaceutical Association is an educational service association of pharmacy students that seek to plan, organize, coordinate, and execute programs geared toward the improvement of the health, educational, and social environment of minority communities.

## OBJECTIVES

To develop student leaders  
To educate students about, and promote active participation in national healthcare issues  
To develop the role of the minority health professional  
To educate communities on health practices and to increase awareness & understanding of diseases
